

CTF Meeting
26 February 2026
Online meeting

- EGU 2026. Discussed plans for the booth at EGU in Vienna, Austria. MarE3/JAMSTEC to provide video of the IODP Expedition 405 for a showing. Booth support and set-up were decided. Town Hall meeting on Monday 4 May 2026 to be advertised at the booth.
- IODP3 Promotional materials. Will update existing fliers & print a limited number for the booths at EGU and JpGU 2026 in Makuhari, Japan.
- JpGU & AGU Meetings 2026. Brief update on JpGU planning, and IODP-J-DESC joint town hall meeting. Possible IODP3 press conference to be held at AGU.
- CTF Communication Matrix. To be completed by the next CTF meeting and ready for discussion then.
- Next CTF meeting (11 May 2026, Vienna, Austria). Agenda items discussed and main topics fixed; i.e. science communication aboard expeditions.
